This Worksheet is designed to assist those applying for Mechanical, Plumbing and Gas, and Electrical permits.

Separate Building, Electrical, Mechanical, Plumbing and Gas permits are required for all commercial and multi-family construction.

These miscellaneous permits can be obtained at the same time the building permit is issued by completing this Worksheet.

When a building permit is not being issued, Mechanical, Plumbing and Gas, and Electrical Permits are issued at:

B. Field Inspection Office, 4995 Murphy Canyon Rd., Suite 200, (619) 492-5070. (Payment by check).
